## PROFESSIONAL PROFILE

Enthusiastic, ambitious educator with a natural ability to connect with and inspire students. I hold a bachelor's degree in English from Boise State University and will complete a master's degree in Teaching Secondary English at Western Governors University in September 2026. I also bring 18 years of experience as a technical writer in the semiconductor industry. I design authentic, real-world writing tasks that strengthen students' analytical thinking, clarity, and problem-solving skills. Using a research-informed, student-centered approach grounded in learning theory and instructional design, I create inclusive classrooms focused on measurable growth and high academic expectations.

## CERTIFICATIONS

**Utah Department of Education - Secondary Education: English, 6 - 12** Anticipated: September 2026

## TEACHING EXPERIENCE

*Alpine School District, 11<sup>th</sup> Grade | American Fork, UT*

**Student Teacher**, March 2026 - September 2026

- Planned and delivered standards-aligned instruction in secondary English using a variety of instructional strategies.
- Designed engaging learning activities to develop students' reading, writing, and critical thinking skills.
- Differentiated and scaffolded instruction to support diverse learners and improve literacy outcomes.
- Used formative and summative assessment data to inform instruction and adjust pacing and strategies.
- Fostered a positive, inclusive classroom environment that promoted respect, collaboration, and academic growth.
- Designed authentic writing assignments that connected course content to real-world applications.

*Alpine School District | American Fork, UT*

**Substitute Teacher**, 2024 - Present

- Delivered instruction across multiple subjects and grade levels while maintaining well-managed classroom environments.
- Adapted quickly to varied curricula and classroom expectations to ensure continuity of learning.
- Provided clear explanations of lesson objectives and assignments, keeping students engaged and on task.
- Supported student learning through individualized assistance and collaborative strategies.
- Managed classroom behavior proactively, reinforcing respectful and inclusive norms.
- Communicated effectively with classroom teachers regarding student progress, behavior, and instructional outcomes.

## **PROFESSIONAL EXPERIENCE**

*TEXAS INSTRUMENTS, Lehi, UT*

*Sr. Technical Writer, 2021 - 2024*

- Collaborated with subject matter experts to design and deliver clear, accessible instructional materials for diverse audiences.
- Developed and improved communication materials to enhance clarity, organization, and end-user understanding.
- Led cross-functional projects, coordinating with stakeholders to align communication and instructional goals.
- Trained and mentored new employees, providing individualized feedback and guidance to support skill development.
- Designed systems to track progress and completion, using data to improve processes and outcomes.
- Reviewed and edited content for accuracy, clarity, and consistency across multiple audiences.

*MICRON TECHNOLOGY, acquired by TEXAS INSTRUMENTS, Lehi, UT*

*Technical Writer III, 2019 - 2021*

- Collaborated with cross-functional teams to create and refine instructional and technical materials.
- Managed content development processes from planning through publication, ensuring accuracy and clarity.
- Led a high-impact safety documentation project, improving consistency and alignment with organizational standards.
- Wrote and edited sitewide communications for training, programs, and policy implementation.
- Conducted research and gathered information from stakeholders to support clear, effective documentation.

*IM FLASH TECHNOLOGIES, INC., acquired by MICRON TECHNOLOGY, Lehi, UT*

*Technical Writer III, 2006 - 2019*

- Developed and revised instructional materials in collaboration with subject matter experts.
- Trained and supported new employees, providing guidance to improve performance and understanding.
- Wrote and edited organization-wide communications for training and policy implementation.
- Conducted usability testing and incorporated feedback to improve clarity and effectiveness of materials.
- Led documentation projects and facilitated meetings to support team collaboration and project completion.
